STOP PRIVITIZATION OF OUR PUBLIC HOSPITALS!
WE BUILT THEM! – WE PAID FOR THEM!
JOIN US - QUEEN’S PARK RALLY
SEPTEMBER 25

It is time to stand together and show our strength. We will not stand back and allow the Ford government to privatize our hospitals. We will not allow the Ford government to continue to create a crisis in our public hospitals by underfunding, cutting and closing services while continuing to challenge our wages.

OCHU/CUPE will be participating in the Ontario Health Coalition Queens Park Rally. This will be an exciting event standing strong to stop Privatization with other locals from across the Province.

If interested in attending, please email the CUPE office.

We can assist with scheduling book off time.

Transportation and lunches will be provided.

Spots are limited so please RSVP as soon as possible. office@cupe7800.org
