---

December 16, 2022

Brothers and Sisters:

To put further pressure on the Ford Government not to appeal Bill 124, OCHU in collaboration with CUPE, SEIU, OPSEU, UNIFOR and ONA is asking that all members participate in a day of action on Tuesday December 20, 2022. We will be handing out stickers starting Monday to be worn Tuesday. We are asking that you text us pictures of yourself and co workers wearing/holding the sticker for a Social Media campaign. Pictures should only be taken outside or lunchrooms/break areas where there are no identifiers of the employer or patients. If you have the opportunity for a group photo, please do!

This day of action is the first initiative in what may be a long campaign, a campaign that will be driven/hinge on members involvement. We know that this may not be the action you want to see or participate in, but we ask that you start here with us. Videos that will be created from the pictures we receive and will be put on our Social Media, we are then going to ask you to share on your Social Media and request that your friends and family share these videos.

CUPE has had amazing success recently, forcing the Ford Government to rescind legislation and Canada's Superior Court striking down Bill 124. This success has occurred because workers are standing together to challenge, fight and demand better, this is an opportunity to help.

Pictures can be text to your Site Chair/VP  
General Service/Ron Joyce – 905-541-4801  
Juravinski Service/Criticall – 905-541-4853  
St Peter's/ Satellite Health – 905-537-4987  
MUMC/ Service UCC-905-541-4897  
Trades/WLMH/ Stone Church – 905-541-4836

In Solidarity
